

October 2024

Morgan Place

This & That

Thank you for your patience during our parking lot improvements at Morgan Place. We apologize for any inconvenience that this project may have caused. Now, looking back, it was definitely worth it!

Rescheduled:

Thursday October 3rd, we welcome back the Vaudevillians. Please come enjoy the show at 2:30pm.

REMINDER:

There will be no live music the evenings of Oct 3rd & Oct 31st

Hello October!

As September sailed away with our raucous Pirate Day, we're all set to embrace the cozy vibes of autumn. Dust off those warmer sweaters, jackets and those quintessential Canadian toques – our bus outings are about to get snug and scenic!

Thanksgiving is just around the corner and, here at Morgan Place, we're excited to celebrate with our extended family. Join us for a heartwarming day filled with delicious traditional turkey, all the trimmings and, of course, pumpkin pie for dessert. Thanksgiving Dinner will be served on Monday, October 14th.

For visiting families, don't forget to sign up at Reception to join your loved one for dinner. We have the Family Room, Sun Room, and Community Suite available for booking if you'd like to bring in your own feast and enjoy some private family time.

The cutoff date for signing up for Thanksgiving Dinner is **October 5th**.

Spooktacular Halloween Bash - October 31st

Get ready for a fang-tastic Halloween celebration! On October 31st, we're hosting a spooktacular party at 2:30pm, with entertainment by Mike Kinal. Come in costume and enjoy the festivities as we celebrate Halloween in style.

Here's to a wonderful October filled with cozy warmth, festive fun and cherished moments with friends and family. Happy Fall, everyone!

IN MEMORY

Della F

"Ensuring Safe and Delicious Meals: Guidelines for Bringing Food to Your Loved One"

Food has many purposes beyond strictly nourishment: it can be used as a way to show love and affection, connection and support. In these unusual times, we understand how our residents' loved ones would want to send something special food wise. Unfortunately, it has presented a couple of small problems that we would like to relay. Each resident has unique abilities in terms of chewing/swallowing and self-feeding. We have been receiving items that may not be appropriate for certain residents to eat without supervision. For instance, items like grapes, hard candies and nut clusters can all be choking hazards and all require residents to be supervised. This can be difficult due to the time constraints of our care and recreation staff. It is also a problem when large quantities of snacks (cases of potato chips, multiple boxes of cookies) are brought in and residents don't have the ability to self-limit these items. The bottom line is that if you want to bring in food/snack items for your loved ones, we would appreciate that they be non-perishable (do not need refrigeration, this is a Fraser Health regulation), appropriate for the resident's ability to chew and swallow and small in quantity. Rest assured that all residents receive a wide variety of treats including home baked cookies, loaves and bars prepared daily by our gifted cooks and served at snack times, as well as wonderful meals daily.

With kind regards, Cathy Mesner
