Morgan Place News

Wednesday Dec 4th

1:00pm to 4:00pm

If family or friends are in a Betty Crocker kind of mood and would like to donate some baked goods to our annual Christmas Bake Sale, the Recreation Department would greatly appreciate it. All proceeds go directly into Recreation and programs at Morgan Place.

Baking should be brought to the Community Suite or to any Recreation member by Dec 3rd.

On behalf of our team at Morgan Place, Season's Greetings!

As we reflect on 2024, I am so thankful for our wonderful residents, families, staff and volunteers at Morgan Place. This past year has been the first year, in recent memory, that has not been defined by responding to the COVID-19 pandemic. The past year saw all aspects of Morgan Place return to normal operations while ensuring that we maintain our high standards of care and ensuring good infection prevention and control practices.

We continue to work on improvements at Morgan Place. One of the most notable improvements was a refresh of our parking lot which has provided for better traffic flow and some additional parking spaces. We have purchased some new beds and equipment and we will continue to make improvements at Morgan Place to ensure that we meet the needs of our residents, families and staff. Starting in May, we made some changes to our menu options and we hope that our residents and families have noticed the improvements that we have made to meals.

We continue to bring back some of our outside entertainers this year and to run a full calendar of activities. We have also offered some new entertainment and activity and bus outing options for our residents.

Many thanks to our wonderful team at Morgan Place for their great work over the past year. And, a special thank you to our residents and families for whom we have provided care and service over the past year. We are so thankful that you have chosen Morgan Place.

Happy Holidays and All The Best in 2025.

Changes in our kitchen

We would like to announce the retirement of Sandra, our dedicated Food Support Service Manager. Her presence will be deeply missed by all of us. While we are sad to see her go, we are excited for the opportunities that await her in retirement.

We are excited to introduce Marc Ricafort, our new Support Service Manager. Marc comes to us with a wealth of experience. He was overseen kitchen, dietary, laundry and housekeeping services in a 199-bed long-term care home.

His dedication is consistently recognized through positive feedback from clients, staff and residents alike.

Please join us in welcoming Marc to Morgan Place!

Many of our residents receive new clothing at Christmas. Please remember these items need to be labelled. Any new clothing items should be listed on a laundry form and put in the laundry drop off bin located by the kitchen.

This is a busy time of year so it might take a few days for items to be returned.

Christmas can be a very busy month with family & friends coming to visit. Please remember you can reserve the Family room & the Sunroom. Both rooms are great for holding special family gatherings. On Christmas day, we plan to host a few families in the Community Suite for dinner. We have to limit the number of guests to 3 per resident. The last time to book will be Dec 8th at noon. Make your reservation early as possible.

Please book with our Receptionist.
